

Legal Hotline

Have you taken advantage of our Legal Hotline Program this past year?

This is the one-year anniversary of our expanded program. This free service can assist you with answers to risk-management related topics through the expertise of one of our regional attorneys. In conjunction with your city attorney, it is our hope that this free service will help you mitigate costly claims. Examples of topics addressed for members include:

- Employment Matters
- Drug-Testing Policies
- Interlocal Agreements
- Ordinances/Resolution
- Planning/Zoning

Please contact Bob Bell or Bill Wright at The Pool's claims department at (800) 288-0829 to get expert advice through The Pool's Legal Hotline service.
